PRECISION GERMAN ENGINEERING

GROHE products are of the highest engineering quality and suitable for all applications within the Commercial marketplace.

Our Cosmopolitan range provides the perfect combination of design and water- and energy-efficient technology. Possessing GROHE LongLife electronics for extended battery life and 0,5 bar minimum pressure this range is the perfect commercial solutions.

All of our products go through extensive lifecycle testing to ensure that they meet the highest level of reliability and durability.

GROHE EcoJoy™

Water-efficient products that allow you to effortlessly reduce your water and energy consumption. Less water. Perfect Flow

GROHE CoolTouch®

No risk of scalding yourself on a hot chrome surface

GROHE StarLight®
